

British Association of CFS/ME (BACME) 2012 Conference

Jurys Hotel, Milton Keynes, Bucks

Weds 14th & Thurs 15th March 2012

Provisional Content

The next conference will be showcasing the PACE Trial with key note speakers, including:

- Professor White - *overview of trial findings*
- Professor Trudy Chalder - *moderators and mediators: what makes it worse/better, what helps for whom*
- Professor Michael Sharp - *data on follow up and long term prognosis*
- Dr McCrone - *is the treatment cost effective? What offers best value for money?*

Other presentations will include:

- Dr Esther Crawley - *financial cost of CFS/ME/anxiety in young people/FMRI scanning for cognitive problems*
- TBC - *Biomedical markers*
- Sue Pemberton – *temporal aspects of CFS/ME*

Planned Workshops include:

- Great Ormond Street
- GET and CBT
- Activity management approaches
- Socialisation to treatment models - Dr Jo Daniels

And this year a special performance of a theatre group performing a drama about CFS/ME, sponsored by Professor Anthony Pinching.
